

TOGETHER WE CAN MAKE LOCAL ISSUES #UNIGNORABLE

Mental illness, addictions and social isolation are #UNIGNORABLE issues facing our community. Just ask Donna who used to go weeks at a time not leaving her home until she was connected with a peer to peer support group in our community. That's why United Way Oxford supports programs that provide accessible counselling resources for people struggling with mental health and addiction, to help give them a voice and work towards a positive future. And it's all thanks to people like you, who show your local love by giving back to this place we call home. ♦

TOGETHER WE CAN MAKE LOCAL ISSUES #UNIGNORABLE

Poverty, social isolation, and homelessness are #UNIGNORABLE issues facing our community. Just ask Gerald, who would have found himself living on the streets if not for the support of a local organization that helped him find affordable housing. That's why United Way Oxford supports programs that provide safe and secure housing to people in need so they can build stability and work toward a positive future. And it's all thanks to people like you, who show local love by giving back to this place we call home. 💎

TOGETHER WE CAN MAKE LOCAL ISSUES #UNIGNORABLE

Barriers facing today's youth are #UNIGNORABLE issues in our community. Just ask Georgie, whose life was changed when she joined a local mentoring program as a child and was paired with Karen. She is now giving back through her relationship with mentee Robyn. That's why United Way Oxford supports a diverse range of youth programming where children and youth can experience new opportunities, build positive relationships and develop confidence and skills for life. And it's all thanks to people like you, who show local love by giving back to this place we call home. ♦
